

MINISTRY OF MINES,
OIL AND ENERGY

SIREXE | 2026

THEME

EXTRACTIVE AND ENERGY INDUSTRIES :
WHAT INFRASTRUCTURES TO SUPPORT
ECONOMIC DEVELOPMENT IN AFRICA ?

1. SIREXE IS BACK

The second edition of the **International Exhibition of Extractive and Energy Resources (SIREXE)** will be held **from November 18 to 22, 2026**, at the Abidjan Exhibition Center in Côte d'Ivoire (Le Parc des Expositions d'Abidjan). Placed under the High Patronage of **H.E.M. Alassane Ouattara, President of the Republic of Côte d'Ivoire**, this event establishes itself as the essential gathering for the mining, petroleum, and energy sectors on the continent.

2nd Edition Theme:

"Extractive and energy industries: what infrastructures to support economic development in Africa?"

This reflection will specifically address:

- Energy and mining infrastructures
- Energy sovereignty
- And many other aspects

Group photo from the previous SIREXE 2024 edition

2. AN EVENT OF INTERNATIONAL SCALE

For its second edition, SIREXE is strengthening its diplomatic and strategic dimension:

- **Country of Honor:** Botswana.
- **Global Participation:** More than 30 countries and numerous official ministerial delegations are expected.

3. KEY FIGURES AND AMBITIONS

Building on the success of 2024 (over 300 exhibitors and 50,000 visitors), the 2026 edition aims for even higher standards:

- **Professionals Expected:** More than 6,000 experts and decision-makers.
- **Exhibition Space:** Two large exhibition halls, including a modernized Hall 2 that is three times more spacious to showcase sector innovations.
- **Economic Impact:** A platform designed to exceed the \$6.5 billion in contracts signed during the previous edition.

4. PROGRAM AND STRATEGIC CONTENT

SIREXE 2026 is structured around key highlights dedicated to knowledge sharing and networking:

- **Conferences and Panels:** High-level interventions featuring international "key speakers" on energy transformation challenges.
 - **B2B and B2G Meetings:** An ecosystem facilitating exchanges between the private sector and governments.
 - **SIREXE Awards:** A distinction ceremony to reward excellence and innovation among sector players.
-

5. EXPERIENCES AND INNOVATIONS

The exhibition offers spaces and satellite events to enrich the participant experience:

- **SIREXE Hackathon:** A competition bringing together students and startups to develop tomorrow's technological solutions.
- **SIREXE Golf Competition:** A networking tournament at the Ivoire Golf Club combining sport and business relations.
- **Networking Spaces:** A "Lounge" for informal exchanges and a connected "Co-working Space" for delegations.
- **Site Visits:** Guided tours of industrial and extractive sites.
- **Contenu Local Space:** To promote African expertise through :
local sme & startup showcase.
- **SIREXE TV:** For total coverage of the event and your brand image.
- **The SIREXE App:** Your intelligent co-pilot for effective networking and a simplified experience throughout the exhibition.

6. TARGET AUDIENCE

SIREXE consists of two (02) components:

COMPONENT 1.

SIREXE PRO

which brings together the entire value chain:

- Government decision-makers and ministers.
- Executives of national and international companies.
- Investors and international financial institutions.
- Entrepreneurs and innovative startups.

COMPONENT 2.

SIREXE GENERAL PUBLIC

The general public won't be left out, with spectacular shows, educational workshops, and immersive exhibits dedicated to mining, oil, and energy. A brand-new area the SIREXE Family Experience is designed for families, offering fun, interactive, and enriching activities for all ages.

7. EXPECTED IMPACT

SIREXE aims to contribute significantly to the economic and industrial development of Africa by:

- Stimulating international investment
- Strengthening local value chains
- Encouraging innovation and training
- Facilitating cooperation between States and companies
- Promoting responsible exploitation of natural resources
